Why did you sort them as you did?

In information texts, we organise similar ideas into paragraphs.

LO: To understand how paragraphs are used  
and organised

- In information texts, we organise similar ideas into paragraphs.
- We also start a paragraph with a topic sentence.
- A topic sentence introduces the main idea of the paragraph, but does not give details.
- What topic sentence could you use for the animals paragraph?

What topic sentence would you use for each paragraph?

- Cut up the sentences
- Organise them into paragraphs
- Which of the sentences do you think is the topic sentence? Why?
- Can you think of a new topic sentence?
- For each of the paragraphs, what could a subheadings be?

- Annotate each paragraph with its topic
  
- Underline the topic sentence in each paragraph
