

My Evacuation Survival Kit

Draw the items you would put in an evacuation survival kit if you had to leave home after a natural disaster. It needs to have enough for your family to last **three days**. What would you include in your evacuation survival kit? Don't forget about your pets!

My Evacuation Survival Kit

Draw and label the items you would put in an evacuation survival kit if you had to leave home after a natural disaster. It needs to have enough for your family to last **three days**.

What would you include in your evacuation survival kit? Don't forget about your pets!

My Evacuation Survival Kit

Draw, label and justify the items you would put into an evacuation survival kit if you had to leave home after a natural disaster. It needs to have enough for your family to last **three days**. What would you include in your evacuation survival kit and why?

Don't forget about your pets!

Justify why you would have these items in your evacuation survival bag.
