

WOW! Year 2 gave fantastic performances
in the opening ceremonies of last week's Sports Days.

Date: Friday 12th July '19

Last Wednesday saw another successful day for our annual sports days for KS1 and KS2. The sun was shining once again this year, as our children competed in their 8 events. Four of these events were scored, allowing children to earn points for their house teams.

Children at Emmaville are very aware of our seven 'Olympic Values' that we strive towards during sporting activities:

RESPECT INSPIRATION FRIENDSHIP COURAGE EXCELLENCE EQUALITY DETERMINATION

It was fabulous to see children displaying these values as they competed.

The scores and positions at the end of each sports day were:

KEY STAGE 1	KEY STAGE 2	COMBINED
1 st Sage 1305 points	1 st Angel 3245 points	1 st Angel 4475 points
2 nd Baltic 1263 points	2 nd Baltic 3193 points	2 nd Baltic 4456 points
3 rd Angel 1230 points	3 rd Tyne 3149 points	3 rd Sage 4450 points
4 th Tyne 1199 points	4 th Sage 3145 points	4 th Tyne 4348 points

The winning team received 200 house points to be added to the overall scores. 2nd place = 150 points, 3rd place = 100 points and 4th place = 50 house points. Well done to all of our children for your fantastic attitude.

Thank you to the 'Gateshead School Sport Partnership' for helping us to organise the event and to the 'sports leaders' from Thorp Academy for your support and encouragement when running your activities.

Mrs Priestley

Didn't we have a wonderful time, the day we went to York... more specifically the National Rail Museum. Although it was a two and a half hour journey down, hearing the first words out of William's mouth, "It was worth the long journey," made us realise that we had made the right decision. When studying trains, there is no better place to visit than this museum. We all attended wonderful workshops, some about speed and others about pressure. We then had time to roam around, and aboard some amazing trains from an Intercity 125 to a Japanese Bullet Train.

This week we are doing some amazing follow up work about the visit and have already produced some wonderful artwork.

Thank you to all of the other staff and parents that helped us to make this such a wonderful visit.

Miss Brewster, Miss Kenyon and Mr Elliott.

Netball

Well done to this year's netball after school club, you really have been absolute pleasures to have. Not only have you had the most fantastic attitude, team spirit and enthusiasm but your netball skills have developed so much over the last 10 weeks.

Thank you to all of the staff and children that competed in both rounds of our 'staff V children' tournament, and congratulations to the children's team who beat us in both sessions!

The staff had such a great time competing against you and what a giggle we all had.

Mrs Priestley.

Last week, the Y5 pupils were given the opportunity to meet with Liz Twist, the local Member of Parliament. The meeting with Liz gave the pupils a chance to discuss their recent visit to the Houses of Parliament, a visit they thoroughly enjoyed. Throughout the morning, they were able to learn about the role of an MP as Liz explained in detail the work that she does, which the children found extremely interesting. They also discovered that it is a very demanding job, as Liz has to travel to London on a weekly basis, often in Parliamentary debates until late in the evening. Liz answered a number of the children's questions that were posed to her, and I must congratulate them all on the level of questions that they asked.

Avril Armstrong.

Jack (Toronto) has misplaced his red, white and silver cycling helmet.

Please check that your child has their own helmet.
