Year 5: Autumn 1 - Hinduism

Enquiry: What is the best way for a Hindu to show commitment to God?

Name: _____ Class: _____

Cut out and fold the 'concertina' book below. You are making this for people who are just learning about Hinduism. Think about which practices show the most commitment and start with these and then work your way through the book, to those you think show the least commitment and give reasons why. On the other side of the book, write about the things you are most committed to personally and how you show this.
