Lost or Missing Child Policy

2019-2020

The safety of our pupils is our priority whilst they are in our care at school. This policy sets out our procedures for dealing with the unlikely event of a child going missing.

Responsibilities

It is the Headteacher's responsibility to ensure that all relevant members of staff are aware of this policy. All members of staff are aware of their responsibilities, what is expected and the correct procedures to follow. It is also the headteacher's responsibility to ensure that this policy is reviewed on a regular basis.

It is the responsibility of all staff to read the policy and act at all times according to its guidance.

It is the responsibility of parents to ensure they provide correct and updated contact information on a timely basis and know the procedures for handover of their child at the beginning and end of sessions.

It is the responsibility of governors to ensure that they are aware of the school's procedures and to challenge/support the school in its review of this policy.

Procedures in the event of a child going missing

In the event of a member of staff fearing that a child has gone missing while at school:

- Member of staff who has noticed the missing child will calmly inform the nearest member of the Senior Leadership Team
- Staff will count and check that all of the pupils are present against the register while the group are assembled in one place. **AT THE SAME TIME**, all other available staff will conduct a thorough search of the premises and notify the Senior Leadership Team if the child has been found
- A thorough check of all exits to be made, in order to make sure all gates/doors were secure and that there are no other ways a pupil could have left the school. If something is discovered this needs to be immediately drawn to the attention of the Senior Leadership Team
- If the child has not been found by the time the register check is completed the Senior Leadership member will notify the Head teacher or next most senior member of staff
- Staff will begin a search of the area immediately
- The safety and care of other pupils is paramount so the security of the school and the number of staff remaining to supervise the other pupils in the school must be adequately maintained while the search continues
- **If the child has not been found after 10 minutes from the initial report of them as missing, then parents should be notified. The Headteacher or next most senior member of staff on site will decide at which point the police need to be contacted.**
- When contacting parents or carers please ask them to bring with them a recent photograph of their child
- Staff must try to remember and write down a description of what the child was wearing and any distinguishing features.
- If the missing child has any special medical or learning needs then these need to be noted to be disclosed to police or other agencies

In the event of a member of staff fearing that a child has gone missing while off school premises:

- Visit leader must ensure safety of remaining pupils. At least 2 staff must stay with them
- One or more adults should immediately start searching for the child
- Visit leader should contact school to alert them
- If the child is not found within 5 minutes Visit Leader must contact police by phoning 999
- Visit leader should alert school that the police have been contacted and school will make arrangements to notify parents, after which procedures above to be followed
