Dear Head

Re: Key Stage Two Christmas Card Competition – Blaydon Constituency Primary Schools

May I start by wishing the very best to you, your staff, and your students during these uncertain and challenging times.

In order to spread some Christmas cheer, as your Member of Parliament, I am delighted to invite pupils of your school to participate in a Christmas card design competition which is open to key stage two pupils in every primary school across the Blaydon Consistency.

The winning design will be printed in my official Christmas card which will be going out to houses and businesses across the constituency and beyond.

- The criteria for the competition is as follows:
- The children should create their designs in colour on A4 paper. They must include their first name, age, class, and school on the back of the design.
- Each school should judge their own entries and submit one piece of artwork to enter on behalf of the school.
- Entries should be submitted to my office by 4pm on Wednesday 25th November 2020 by post or scanned and emailed to judithb.turner@parliament.uk with the subject heading "Christmas Card".

Please do not hesitate to get in touch with Judith or contact my office on 0191 414 2488 if you have any questions.

Thank you for your continued service to our school community.

Yours sincerely

Liz Twist MP
Member of Parliament for Blaydon
