

Last lesson we learnt how to write and punctuate direct speech.

How did you write this dialogue as direct speech?

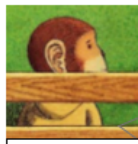

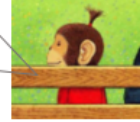

What dialogue do you remember between Smudge and Charlie?

What other things might they have said?

LO: To develop speech with character actions

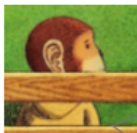

Lets look back at the scenes where Charlie and Smudge were together to generate some more ideas.

Do you wanna come on the slide?
It's lot of fun.

I'm not sure Mother would like
me doing that.

Oh go on. She'll not notice. And, the
slide is my favourite thing in the whole
world.

Goodbye Mother.

We also need to think about

- which reporting verb (said verb) to use when each person speaks.
- what each character does before during or after they speak.
