

**Week beginning 31st January**

Monday	<p><b>Maths</b></p> <p>Today we are looking at numbers up to 50. Have a goat counting to 50 using this <a href="#">clip</a>.</p> <p>Read through the attached slides and match the cards to the correct representation.</p>	<p><b>Reading</b></p> <p>Spend some time this morning reading some stories at home. You might want to log in to Oxford Reading Owl to read some books or read with your grown up at home.</p>	<p><b>Phonics</b></p> <p><b>Sound - er</b></p> <p><a href="#">Reading</a></p> <p><a href="#">Spelling</a></p>		<p><b>Science</b></p> <p>This week we are exploring how some properties of materials are easier to identify than others. Read through the PowerPoint and have a go at testing some materials at home to check their properties.</p>	<p><b>PE</b></p> <p>Can you create a mini-circuit at home using anything you have? Try to complete 1 minute of each exercise and repeat the circuit 5 times.</p>
Tuesday	<p><b>English</b></p> <p>In English we are exploring letters this week. Discuss with your grown-up about what a letter is and why do we use them? Try to find some real-life examples in your house. After that, read through the attached powerpoint and sort the letters into formal and informal.</p>	<p><b>Maths</b></p> <p>Today we are going to look at counting forwards and backward to 50. Watch the <a href="#">clip</a> and try to count forwards and backwards.</p> <p>Read through the attached slides and complete the steps on the worksheet.</p>	<p><b>Phonics</b></p> <p><b>Sound - ow</b></p> <p><a href="#">Reading</a></p> <p><a href="#">Spelling</a></p>		<p><b>Geography</b></p> <p>In our lesson today we are finding out about the Giant's Causeway which is in Northern Ireland. There is a folk tale that tells us how it was formed. Watch this <a href="#">clip</a>. Explore the attached powerpoint. Could you find it on google earth? Once you have completed some research can you create a mini guide for anyone visiting Northern Ireland and the Giant's Causeway? Use the attached template to help.</p>	<p><b>Music</b></p> <p>In Music this week, we are listening to some music related to our Geography work on the Giant's Causeway. Listen to this piece of <a href="#">music</a>. What do you think about? Please click the <a href="#">link</a> to find out some more information about the piece and its composer.</p>

**Week beginning 31st January**

Wednesday	<p><b>English</b></p> <p>Look at the persuasive writing powerpoint. On each slide can you practise some of the things you are asked for? E.g school. Have a go on slide 8 at orally retelling the sentence using some of the vocab given. Remember one of our oracy target this term which is speaking clearly.</p>	<p><b>Maths</b></p> <p>Today we are going to look at portioning a 2 digit number into tens and ones. Can you remember using Base ten?</p> <p>Read through the attached slides.</p> <p>Using this <a href="#">link</a>, can you make some numbers up to 50?</p>	<p><b>Phonics</b></p> <p>Sound - ai</p> <p><a href="#">Reading</a></p> <p><a href="#">Spelling</a></p>		<p><b>Design and Technology</b></p> <p>Can you remember our work about the Giant's Causeway? We would like you to build a Giant's causeway using a range of materials in a tray. Think back to our materials lesson in Science and which you think will be the best material for the causeway, Test it out using 2 figurines you might have at home.</p>	<p><b>Handwriting</b></p> <p>To get your fingers warmed up and ready, watch this dough disco <a href="#">clip</a>.</p> <p>Can you practise today the one armed robot letters? These are b,h,k,m,n,p and r. Make sure to sit in the correct writing position.</p>
Thursday	<p><b>English</b></p> <p>Can you remember what a persuasive letter is? Today we are going to write a list of different things we could write to the dragon in our George and the Dragon story to persuade him e.g don't eat young girls. Write some of your ideas down.</p>	<p><b>Maths</b></p> <p>We are carrying on today exploring partitioning 2 digit numbers into tens and ones.</p> <p>Read through the attached slides and complete the activity.</p>	<p><b>Phonics</b></p> <p>Sound - oa</p> <p><a href="#">Reading</a></p> <p><a href="#">Spelling</a></p>		<p><b>PE</b></p> <p>Using our positions, this week we are going to try and create a sequence in Gymnastics. Think about your starting position, how you will travel and what balance you will complete for 5 seconds before finishing. Have a go at creating a sequence and record yourself at home. Use the gymnastics shape sheet to help you.</p>	<p><b>RE</b></p> <p>In our class we all try hard to be a good friend. Christians believe that Jesus is a good friend to them but how did Jesus show this friendship and was it easy. Watch this clip which is the bible story of Stilling the Storm (Luke 8: 22-25). Do you think it was easy for Jesus to show friendship during the storm. Share your thoughts with a grown up.</p>

**Week beginning 31st January**

Friday	<b>English</b>  Using the attached photograph, can you describe the setting? What does it look like? Where is it? Can you use your 5 senses to describe? Write a short piece describing the setting.	<b>Maths</b>  Today we are looking at representing numbers up to 50.  Read through the attached slides and complete the worksheet.	Phonics  Sound - ew  <a href="#">Reading</a>  <a href="#">Spelling</a>		<b>Computing</b>  Following on from last weeks lesson, can you take some photos of some objects in your house? Once you are happy with the photos you have taken, ask your grown up how you could upload these photos onto a different device. You might even be able to give it a go at home.	<b>Well-being time</b>  You've worked really hard this week so spend some time relaxing and doing something fun with your grown-ups. .
