EMMAVILLE'S AMAZING ARTISTS

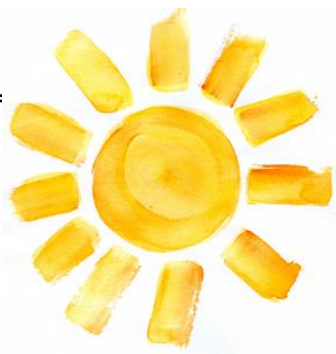

We recently invited our Emmaville pupils to participate in the Young Artists' Summer Show; an exhibition for students aged 5 - 19 in the UK and British schools overseas. The Young Artists' Summer Show received 33,000 entries which were then judged by artists and arts professionals; who had to select around 400 pieces for the exhibition.

We are delighted and incredibly proud to announce that 3 of our Key Stage 2 pupils' artworks have been selected to be displayed online and also on-site at the Royal Academy of Arts. This is an incredible honour and testament to their artistic talent.

Congratulations to Evie (South America Class), Tilda and Henrique (Oceania Class). We are incredibly proud of you and what you have achieved. We look forward to seeing you continue to flourish as artists at Emmaville and beyond.

Their work will be displayed online from 13th July and on display at the Royal Academy of Art in London from 13th July - 8th August.

Miss Kenyon

We hope you have a lovely half term break and we look forward to welcoming the children back to school on Monday 7th June.

Please remember school is closed to the children on Friday 28th May due to an inset training day for staff.

Coronavirus

We have had some enquiries from parents about what they should do if their children have symptoms. The NHS advice that we have received and which has been endorsed by Public Health Gateshead is, if anyone has symptoms of COVID - 19 they must get a PCR test as soon as possible.

The symptoms are:

- A high temperature
- A new, continuous cough
- A loss or change to your sense of smell or taste

Anyone who has a PCR test should stay at home until they receive their test results. Family members that they live with must also stay at home until the outcome of the result is known.

Please be aware that Lateral Flow tests are only for people who do not have symptoms.

"If I am thinking correctly," said Pooh, "a new baby is probably undoubtedly the grandest gift that could ever be."
"A grand gift indeed."

Congratulations to Jessie (Crawcrook Nursery) on the birth of her baby sister Macey.

If your child has sickness and/or diarrhoea, they must stay off school for 48 hours after the last bout of the illness.

Could all unpaid breakfast club and after school club money be paid as soon as possible please.

Thank you.

Dear Parents/ Carers,

This year, Emmaville's Sports Day will take place on **Monday 5th July for Early Years and Monday 19th July for KS1 and KS2**. In previous years this would have been an event in which parents/carers would have been able to attend to support their child; however, in order to avoid mass gatherings under the current circumstances and following Gateshead's recommendations, Sports Day will take place without the usual spectators. Therefore, it will be a closed event and parents will not attend.

We still want this event to be fun and enjoyable for the children, whilst taking the necessary precautions. The children will remain within their class bubbles (as in previous years) and each key stage will take part within their allocated time slot.

The highlights of the day will be captured and uploaded onto the website for your child to share with you at home.

Thank you for your continued support,

The PE Team
