Oracy	Use humour appropriately and effectively to engage an audience.	To project voice to the back of the large hall and maintain volume and pitch through several short-spoken contributions.	Use wider world knowledge to support views when participating in debates. Deliver a short teaching session to a younger year group, noticing when the audience needs to be refocused or explanations need to be reworded.	Choose appropriately formal language when participating in debates and formal discussions. Structure a persuasive speech effectively using taught language techniques.	To use posture, gestures and tone of voice effectively to persuade the audience. E.g. the speeches competition. Be able to reply to questions from the audience.	Speak confidently and naturally to an audience of known and unknown adults during the end of year production.
