

Dreams and Goals

TTYP - What is a strength you feel you have?

As we enter 2022, what is a goal you have for the upcoming year?

When I was your age, I had a goal to be able to...

This wasn't easy, but these are the steps I completed to achieve it....

There were some obstacles along the way...

Think quietly... You need to think about two goals for this year.

1 - a goal to achieve in school

2 - a goal to achieve outside of school

To reach the top of the totem pole, you would have to take it one step at a time; it is a bit like this when achieving a goal.
