WORKING IN PARTNERSHIP WITH PARENTS

Mixed Year 6 Football Team

We had a very positive and enjoyable evening on Thursday with the Y6 school football team. The children took part in several competitive games, demonstrating commitment, teamwork and a willingness to support one another throughout each match. They communicated effectively on the pitch, listened carefully to advice and showed great determination, even when the games became challenging.

I was really impressed with everyone involved. Each child contributed to the team, whether by defending, attacking, passing, encouraging others or showing resilience after a setback. The players worked hard, played fairly and represented the school well. There were many promising moments during the evening, and the team is already beginning to develop a strong sense of togetherness.

I am looking forward to seeing the children continue to improve and enjoy their football during what promises to be a great, competitive season.

Year 5 Girls' Football Tournament at Swalwell

On Friday afternoon, our Year 5 girls represented the school at a girls' football tournament at Swalwell. The team played six matches throughout the competition and won every single one, finishing the tournament without conceding a single goal!

From the first whistle, the girls demonstrated excellent determination, teamwork and footballing skill. They communicated well, supported one another and worked hard both in attack and defence. Their positive attitude helped them remain focused and confident as they progressed through the earlier matches.

The team then faced two knockout games, both of which were decided by very exciting penalty shootouts. The girls showed great composure under pressure, and there was plenty of drama as each match reached its conclusion. Alongside the tense shootouts, they produced some fantastic football from start to finish.

A huge well done to all the girls who represented the school so fantastically. Their effort, teamwork and positive attitude made us very proud.
