

Recipes for the Garden Party:

We thought it would be a good idea to link our recipes to the origins of the Olympics in ancient Greece. Why not try making your own flatbreads, hummus and an extra refreshing dip- guacamole?

Your task is to use ratio and scale to scale the recipes either up or down depending on how many people you are catering for. You will need an adult to help with the flatbreads as the pan gets VERY hot.

You might want to serve your flatbreads and dips with some carrot sticks, cucumber, celery or maybe some Doritos to dip in.

Enjoy! 😊
