

EMMAVILLE PRIMARY SCHOOL

WEEKLY NEWS BULLETIN

WORKING IN PARTNERSHIP WITH PARENTS

Well, it is that time of year again, the Gateshead Primary Schools Athletics Festival. And didn't Emmaville do well! Competing against 46 other schools in the GSSP showpiece event, the Emmaville children did themselves and the school proud. First and foremost, their attitude, effort, support and sportsmanship was first class. In terms of sporting success, we had 14 track semi-finalist and 9 track finalists. Plus, gold medals in the Year 5/6 Boys 60m Spring (Ethan), the Year 3/4 Girls Turbo Howler (Lucia), the Year 3/4 Boys Turbo Howler (Fraser), and bronze medals in the Y5/6 Boys Three Spring Jump (Evan) and the Year 3/4 Boys Turbo Javelin (Thomas). It was a great day for everyone and super to have so many families come supporting their children.

Aubree

emrald would once have described himself as brave. in a tragic turn of events, he turned into a bad monster because of a curse set upon him by a god. Even though he used to boast of his hair, he turned into every persons worst nightmare. He spent his days in darkness surrounded by ash statues but why?

Emrald's skin was shiny - orange and covered in damp blood bandage. From his back, black rotten teeth what would break. In a strange contrast to his disgusting teeth, his lips were ruby red and stood out against his orange skin.

The time slip sphere

Slowly, he crawled out of the dusty cave and found himself at an edge of a damp forest. Hot fires were glowing, salt rivers were flowing and ugly savages were hunting near their tents. They have rotten brown teeth, long tangled hair and wore dirty deer skin. In their hands, they have sharp spears, axes and knives to cut their next victim. How scared he was he thought he might be next. Instantly, Joe sprinted like a cheetah towards the big blue tent.

Inside it was cold and weapons that the storage were on the blue walls. Unfortunately outside, the cavemen spots him, one seemed to grin.

When I grow up...

Hello, my name is Emily and I am currently ten years old and in year 5. I am learning how to dance, sing and act! When I grow up, I would love to be a performer because I am kind, respectful and a role model.

When I am an adult, I want to be just like my teachers. They are kind, funny and amazing! I think acting is fun and it entertains me. It relaxes me and calms me down. I go every Thursday to my club and sometimes, if I am lucky, a full day! In acting, you need teamwork, respect; and I have just that! That is what I want to be when I grow up!

Year 6

Our children had a fantastic time on their trip to Belsay Hall on Thursday last week.

With endless enthusiasm and boundless energy, they explored, talked about the plants, spotted wildlife and identified deciduous and evergreen trees- on top of this, their map following skills were second to none! We were even able to enjoy our lunches in the sunshine as the weather behaved itself for us.

The children were a credit to the school with their excellent behaviour and it was lovely to see them enjoying their outdoor learning experiences - Well done everyone!
