Text pattern	Your text
Title:	
Introduction: Say what it is.	
Start with a question. Description of what it looks like and what it can do.	
Say where it lives. How or if you can find one. Say how and when it moves around.	
Start with a question. Say what some humans think about them and say that this is not true. Explain what they eat. Describe what happens to them when they eat these things.	
Say the most interesting fact about them. Say what many people believe about them. Suggest something amazing that they can do.
