

Celebrating Difference

L.O: To understand what racism is.

What is racism?

Vocabulary for today:

- racism
- colour
- race
- discrimination
- culture
- ribbon

Celebrating our differences:

'Pass the squeeze around the circle'

- It is really important that everyone feels included and no-one feels left out.

Celebrating our differences:

Game - Cool or not cool

(see lesson plan for instructions)

How would you have felt if the game went on and you were the only person left out of the 'cool' gang?

Can you think of any examples in society where people may feel excluded or discriminated against?

(record these on flipchart paper)

When might people feel left out or discriminated against in society:

CARD

What is the definition of racism?

Racism is the discrimination or negative judgement about someone due to the colour of their skin or their race, This might include their beliefs and religion.

I know that any form of racism is unacceptable.

Experience of racism

Watch this clip and think about the following questions:

- What happened to the girl?
- What feelings did she have?
- What did she do about it?
- What is the main idea of the poem?
- What help does she think needs to be available?

Many charities now use awareness ribbons in certain colours or patterns. Can you think of any coloured ribbons or badges you've seen and do you know which charity they are raising awareness for?

Your task is to design a logo and decorate a ribbon to fight against racism, Reminding people that is is unacceptable.
