L.O. Use creative ideas to write about an image

Share the Light!

This Christmas time, we'd like to help share some joy. Whilst the festive period is a happy time for many, there are some who find it a trickier time, perhaps feeling lonely or sad.

We've chosen a special image by illustrator Lucy Burvant called Christmas Kindness to help inspire you to think of kind words to use during the festive period.

Look at this image. Talk to your partner about what you can see.

In your book, write down some ideas, words, phrases that spring to mind when you look at this image.

Read the caption written by the illustrator

'The creature with the bells tied on was sad, not scary, and the kind little girl was brave.'

Share what you think this means.

Why do you think the animal is sitting on top of the lamp? What is the child trying to do?

There is distance between both of them - why and how can they close that gap?

Write a short descriptive piece, saying what you think is happening in this picture of kindness.

What is the creature feeling, and what words of encouragement might the little girl be saying to it?

Use the writing template to copy up your final draft.
