Year 6 have been tasked to find out all they can about Sikhism for World Religion Day. So here goes...

First, let's look at what Sikhism is

Scroll down and answer the 5 question quiz at the bottom to see how much you remembered.

As part of our research, we also need to know what followers of the Sikh religion believe.

What do Sikhs believe?

Sikhs believe in one God who guides and protects them. They believe everyone is equal before God. Sikhs believe that your actions are important and you should lead a good life. They believe the way to do this is:

- Keep God in your heart and mind at all times
- Live honestly and work hard
- Treat everyone equally
- Be generous to those less fortunate than you
- Serve others

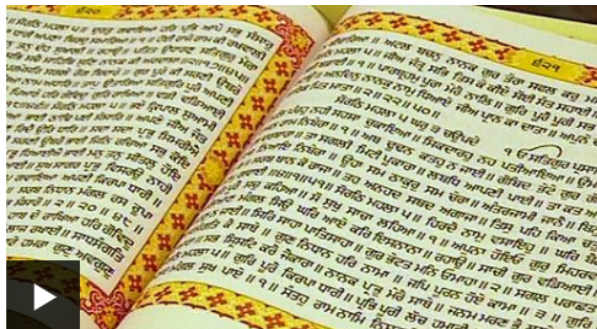

Let's look at the symbol of Sikhism - Khanda.

Let's look at the 5 articles of faith that Sikhs wear - also known as the 5 Ks.

And finally, let's look at where Sikhs worship.

Part 1

Part 2

Now we have gathered lots of information about Sikhism, I'd like for you to produce a double-page information text about what you have learned.

You can use your QR code to take you to a 'knowledge organiser' which will remind you about some of the details of Sikhism we have looked at today.

Miss McArdle will be displaying our information texts in the hall so they need to be 'the best that they can be'.
