# Young Artists' Summer Show

Our Year 6 children have been studying performance poetry in their English lessons. They have been looking at a variety of poems including the poems of Valerie Bloom, who uses Jamaican patois (Jamaican slang) in her works. This week the children have been writing their own poems about their grandmas using 'Geordie patois'.

Our lovely Ethan sadly lost his nanna to Covid 19. He has written a beautiful poem about her, which tugged at our heart strings and made us all incredibly proud in equal parts.

Nanna is

Nanna is

Ma ket giver

She taalks to me when I am there

Toffees and fudge and quality street

Sitting in her rocking chair

Nanna is

As sweet as suga'

And cuddly as a bear

Even tho she is canny owld

Her love is in the air

Sitting in her rocking chair

Nanna is

The stars in the night sky

The key to my soul

The heart of the sun

The saddest part about Covid

But they did not say

Nanna is

Not here today

Not here tomorrow

And any way there is no key to my soul

No light in the day

Because my nanna died that day

Dear Parents/Carers,

Northumbria Police have recently issued the 3rd Prevention Through Education newsletter. After reading through the document, there was one section that I wished to share with you.

Online safety - CEOP animation (1 minute long) <https://www.youtube.com/watch?v=wxcn5x-jE4> The animation highlights the importance of parents and carers talking openly to their children about being safe online, about healthy relationships and encouraging them to speak out if anything happens online that worries them or doesn't feel right.

Keeping children safe whilst online is extremely important and can be quite a tricky task. The [www.thinkuknow.co.uk/parents](http://www.thinkuknow.co.uk/parents) website is also a useful resource to support us all.

#### Reading in Foundation Stage and Key Stage 1

At Emmaville, we strive for all of our children to show an enjoyment and passion for reading. We recognise the great value and importance of the support that is provided at home to develop children's developing reading skills, and want to ensure that you have access to as many materials as possible to help with this. We have recently upgraded our Oxford Owl e-library membership which means that children will have a much greater access to books personalised to their reading level. In the next couple of weeks, you will receive your child's individual login and password and from there, you can access books which have been assigned to your child. These books match with the phonics scheme which they complete in school, ensuring that they are at the correct level for your child. We hope that you will find this beneficial, and if you have any questions, please don't hesitate to get in touch with your child's class teacher.

Hello Thomas B [Help](#) [Log out](#)

"If I am thinking correctly," said Pooh,  
"a new baby is probably undoubtedly the grandest gift that could ever be." "A grand gift indeed."

I am delighted to share Kat Lamb's wonderful news. On Sunday 4<sup>th</sup> April, Kat gave birth to a beautiful baby boy, Alfie James. Kat and her partner, Dan, are thrilled with their new addition, as are Lacey and Matty who are very excited to welcome their brother into the family. Many congratulations to them all.
