*Super Pupil!*

Mar 17-14:35

Mar 17-14:19

If there was a super pupil, what would he or she do...

walking to school?

at breakfast club?

in assembly?

at playtime?

in art?

in the classroom?

at lunchtime?

in PE?

There are lots of other times at school that *Super Pupil* could save the day. Can you think of any?

Mar 17-15:05

You are going to choose 3 places or times that you want *Super Pupil* to save the day. You need to decide what happens and how *Super Pupil* fixes it each time.

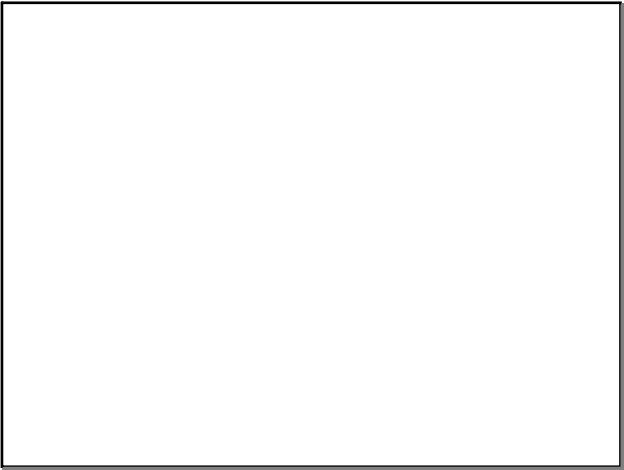

You are going to draw a plan today for your own *Super Pupil* story. You are going to do this independently.

Once you've done your plan, practise saying your story.

Remember to think about what your *Super Pupil* might wear.
