

Ears pinned back,  
Hackles raised  
Amber eyes,  
Blood-stained muzzle,  
White fangs  
Rasping breath,  
Low, rumbling growl

Ears raked back, twitching, listening,  
Hackles raised – a spiked mane of pure aggression,  
Amber eyes, unwavering in their intensity,  
A blood-stained muzzle, quivering with rage  
White fangs that glint in the fading light – curved daggers ,  
Rasping breath, rank with the odour of death  
Beware: the wolf hunts tonight.
