

Money makes the world go round!

A close-up photograph of various Euro banknotes and coins. Visible banknotes include a 5 Euro note, a 10 Euro note, and a 20 Euro note. Coins include 1 Euro, 2 Euro, and 5 Euro denominations. The coins are scattered over the banknotes, creating a textured, overlapping composition.

Jan 26-18:23

Look at the bags of money on your table.

What coins can you see?

How can you tell the difference between the coins?

What is similar? What is different?

Plenary

Annie has this money.

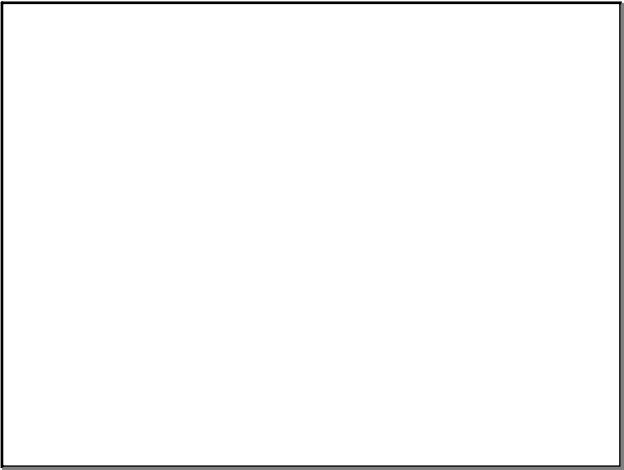

Tommy has this money.

I have more money because I have more coins.

Is Annie correct? _____

How do you know?
