

Milestone 1:

- Ask and answer geographical questions (such as: What is this place like? What or who will I see in this place? What do people do in this place?)
- Use world maps, atlases and globes to identify the United Kingdom and its countries
- Use basic geographical vocabulary to refer to key physical features including **mountains and forests**

# Scottish Highlands

Who can remember the four countries of the UK?

Challenge- can you name the capital cities?

**The Scottish highlands are a mountainous region in the northwest of Scotland.**

**Can you find this area in your atlas?**

**Add the Scottish Highlands onto your map of the UK in your geography book.**

**The highest mountain in Scotland is Ben Nevis. It is 1,344 metres high.**

**Over 100,000 people climb to the top of Ben Nevis every year.**

**Ben Nevis is the remains of an ancient volcano.**

**William Whiskersen is going to help us learn a little more about the Scottish Highlands.**

Pause at 6:10 and play end of video if time at end of the lesson.
