

Thursday 24th September

LO: To begin to know and use the SMART rules.

Today you are going to be learning about  
keeping safe online by following the  
SMART rules.

Thursday 24th September

LO: To begin to know and use the SMART rules.

Who uses the Internet?

What are your favourite sites?

How many of you like to search for information online perhaps for homework or about your favourite singer or football player?

Who likes to play games online?

Who likes to watch funny videos online?

Thursday 24th September

LO: To begin to know and use the SMART rules.

We are now going to watch The Adventures of Captain Kara, Winston and the SMART Crew. In each episode, the main characters are faced with a difficult online situation and call on the help of the SMART crew. The SMART Crew are a group of online 'experts', who listen carefully to Kara and Winston and assist them in making safe and responsible decisions online.

See if you can find out what SMART stands for...

Information on the Internet may not always be true; it may be factually incorrect, out of date, or reflect someone's personal opinion or beliefs. Anyone can put information on the internet, so always check by looking at other websites, in books, or with someone who knows.

Meeting someone you have only been in touch with online can be dangerous; not everyone online is who they say they are. Only do so with your parents' or carers' permission and even then only when they can be present. Remember online friends are still strangers even if you have been talking to them for a long time. If you like chatting online it's best to only chat to your real world friends and family.
