

Monday 7th February

L.O. - I can use causal conjunctions.

Copy these sentences into your books using the most appropriate connective from the box below. Read each sentence carefully and use the sense of the whole sentence when making your choice!

1. I was unhappy I decided to go home.
2. I was angry, I still apologised for my bad behaviour.
3. I was exhausted still continued to run towards the finishing line.
4. The car stopped someone had removed the petrol.
5. annoyed I was, I knew I would continue to take part in the club.
6. The plant had healthy green leaves and photosynthesis could take place.
7. the rainforest being destroyed, many animal habitats are disappearing.
8. The plant died being given so little light and water.
9. They went out the rain.
