

Tuesday 29th September

L.O: To know and reflect on the characteristics that make someone a 'good digital citizen'.

Think and
discuss...

- What is a 'citizen'?
- What is a 'digital citizen'?
- What is a 'responsibility'?

Think and
discuss...

- What is a 'citizen'?

A citizen is a member of a community.

- What is a 'digital citizen'?
- A digital citizen is a member of a worldwide community linked by the internet.
- What is a 'responsibility'?
- A responsibility is a duty or an obligation.

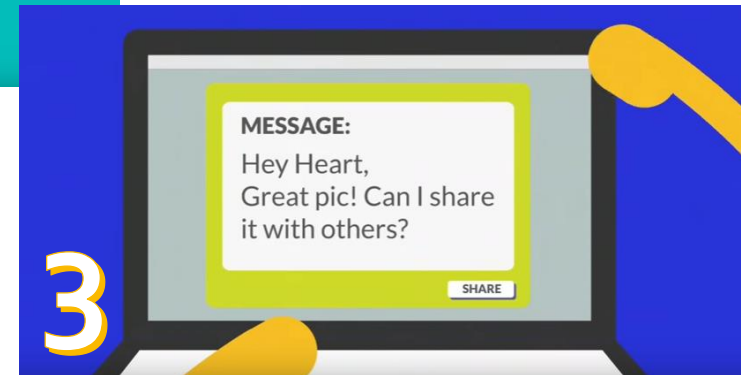

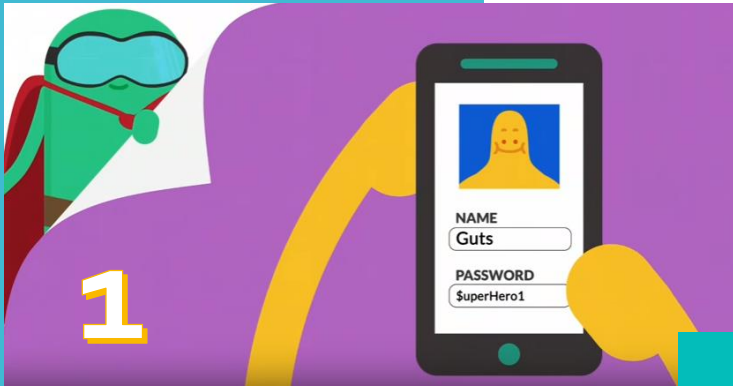

It is really
important
because...

- We all have a responsibility as a digital citizen to take care of ourselves, our community and our world. What we say and do online can be viewed by the world. We must be as respectful online as we are in person.

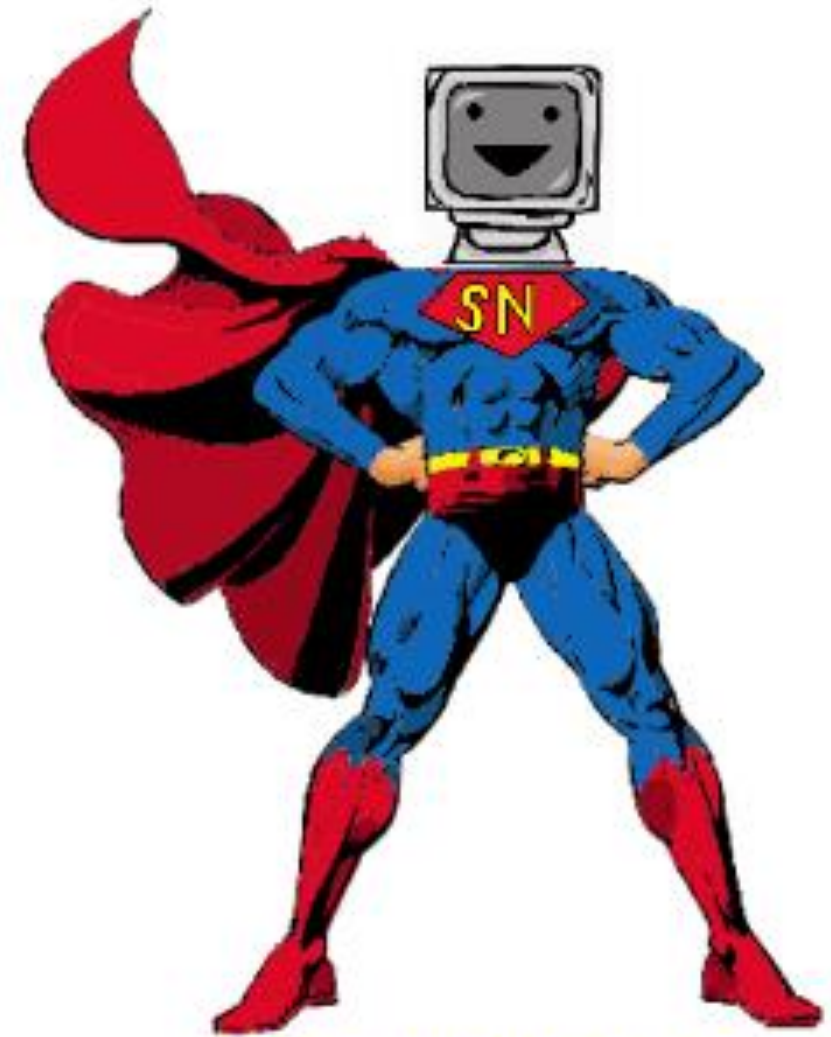

- <https://www.youtube.com/watch?v=S7A2n1c3UiA>
- *As you're watching, can you work out the three 'good choices' Arms helped Guts to make?*

So... Who are
we responsible
for?

- *Who do you think you are responsible for?*
- <https://www.youtube.com/watch?v=fQSnzrB5bso&list=PL8TjVyuBdsCkHvQo1ZoN2hfPK94mESCiE>

It's your turn to create your own 'digital citizen superhero'. They must teach and help the world to be safe, respectful and responsible.

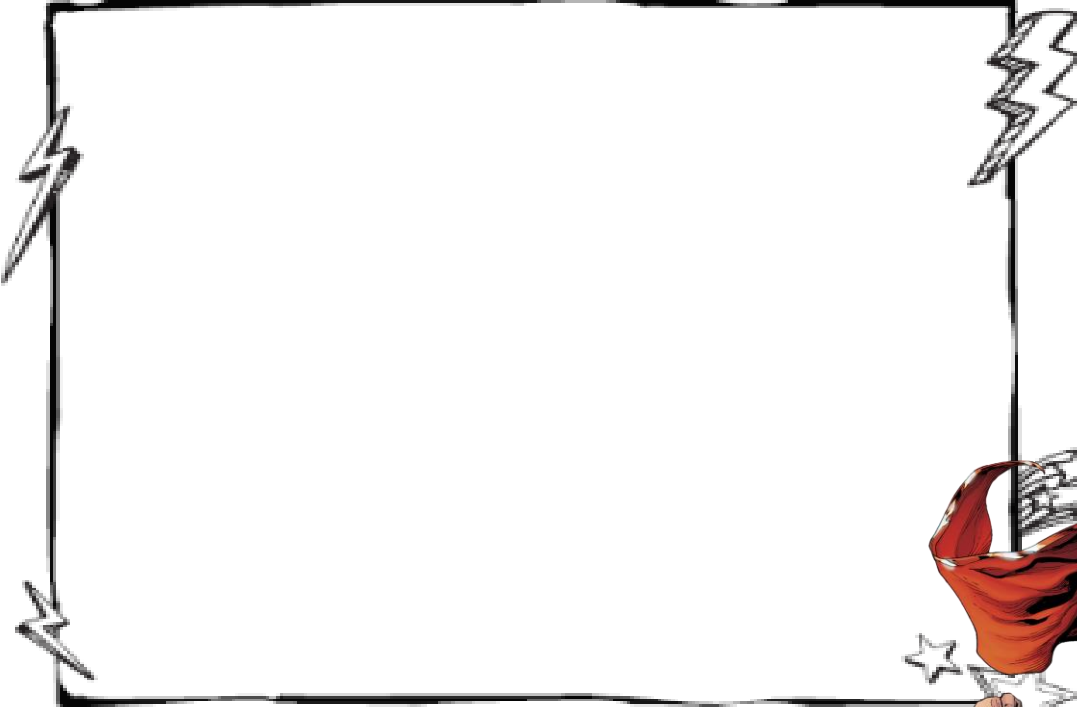

SuperNetMan

He will show you how to be a good digital citizen.

On your template you need to plan your own superhero. Think about what they might wear? Look like? What apparatus or costume might they need to be a 'digital citizen superhero'?

Tuesday 11th September

LO- To know and reflect on the characteristics that make someone a good digital citizen.

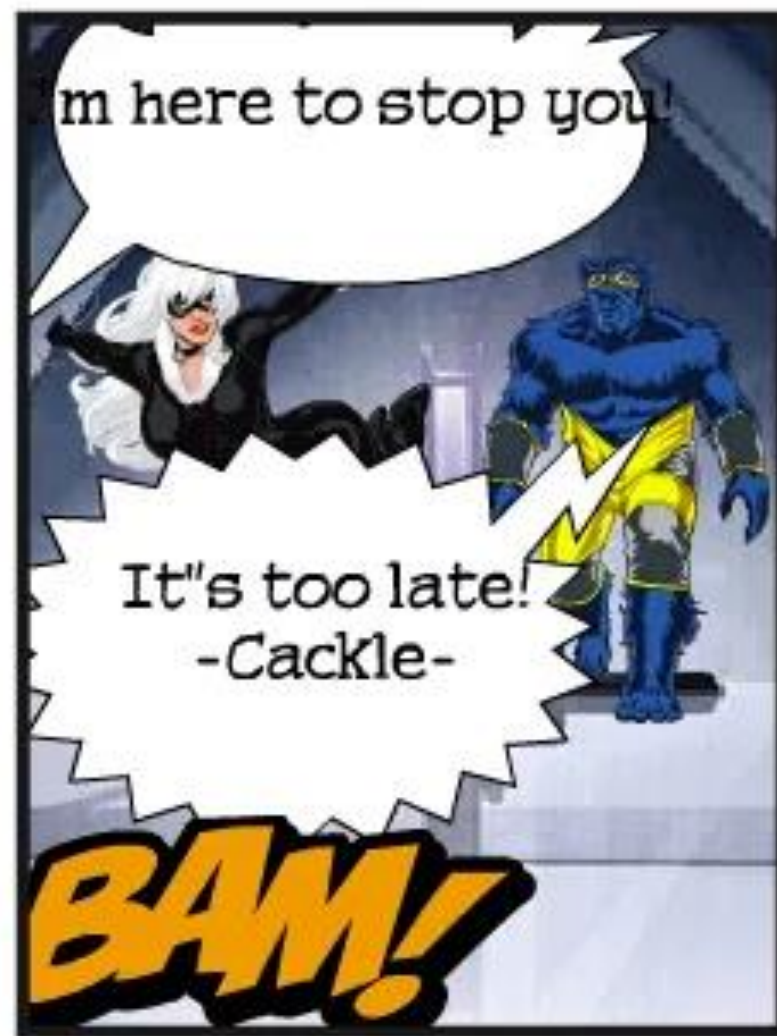

My 'digital citizen superheroes' super powers and characteristics:

=

Your task is to create a comic strip showing a time when your 'digital citizen superhero' came to the rescue to keep someone safe, responsible and respectful online.

Will you give me your password?

A woman with long dark hair, wearing a red long-sleeved shirt and dark pants, stands with her hands on her hips. She is looking at a young boy sitting at a desk. The boy is wearing a red t-shirt, blue pants, and a red beanie. He is looking at a computer monitor. The background is a simple green wall with a dark door on the left.

It's not a good idea to share passwords even with friends.

Wouldn't it be funny to pretend to be someone else online?

The woman is now pointing her finger at the boy. The boy is looking at the computer monitor with a thoughtful expression. The background is the same green wall and dark door.

You can get in trouble for impersonating someone else.

I have a lot to learn about being a responsible Internet user.

The woman is now smiling and looking at the boy. The boy is also smiling and looking at the computer monitor. The background is the same green wall and dark door.

I'm happy to help you learn how to be a good digital citizen.

Choose a comic strip template, decide on the storyline and have fun creating your own adventure of a 'digital citizen superhero'.
