Let's retell the story of Dick Whittington, using our story map to help us.

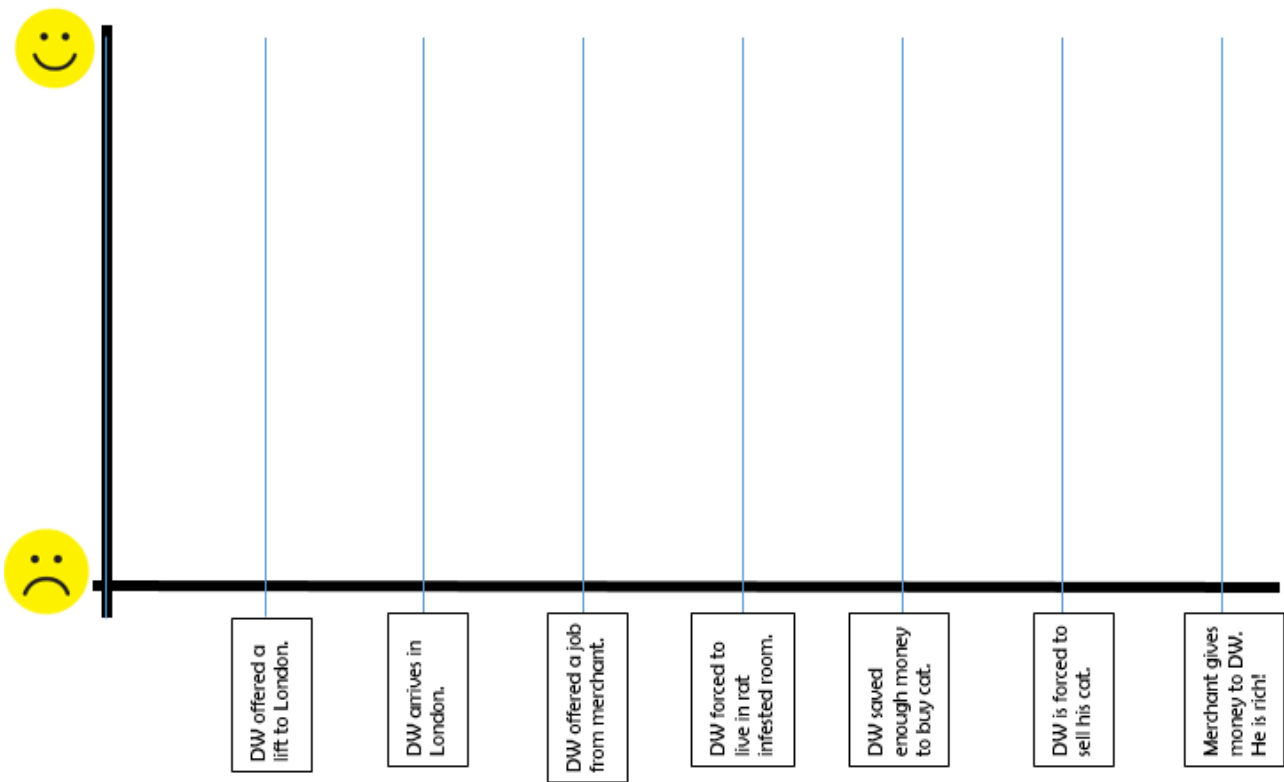

We are going to think about how Dick Whittington felt at different parts in the story.

There is a large scale between feeling very happy and feeling very sad.

Look at all of the different events in the story. We are going to think of some questions we would like to ask Dick Whittington to find out more about how he was feeling.

We are then going to take on the role of Dick Whittington and see if you can answer in character.
