L.O. To start writing a rags to riches tale.

Innovation...

Today you are going to begin writing your story **using your story map from yesterday!**

Look at your plan from yesterday and retell your partner your introduction and build up.

Writing your opening an build up

- Title

Can you think of a title for your story? It might be your character's name or it be something different.

-Opening

Introduce your main character! Use your story map to help you, but add more detail. You are trying to paint a picture in the readers mind!

-Build up

New paragraph!

Tell the reader why your main character is sad, lonely or how they are being unfairly treated.

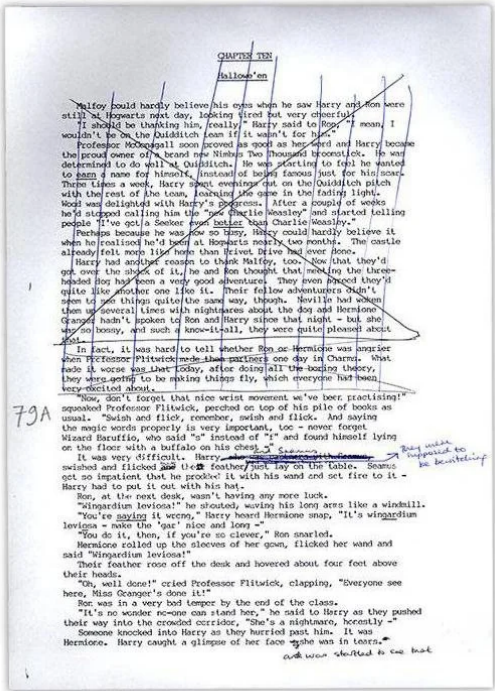

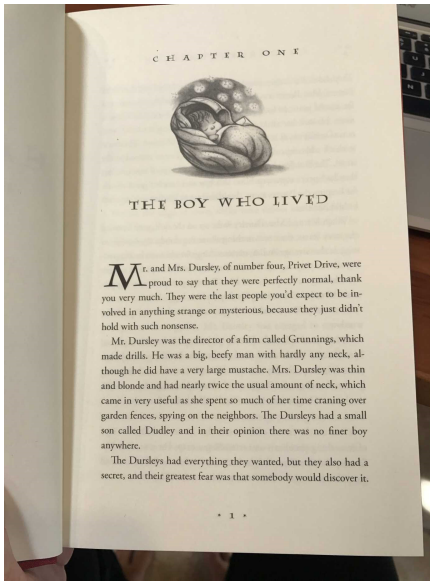

What should all sentences contain?

 5 star writing 	
	Capital letter to start my sentence.  I see a dog.
	Punctuation to end my sentence. Where is the dog? 
	Use finger spaces. The dog is brown. 
	Use neat handwriting. 
	My sentence makes sense. 

I will now demonstrate writing my "rags to riches" tale
using my story map.

Writing is a process - it takes time!

This shows some of the processes author JK Rowling went through to write Harry Potter.
