WEEKLY NEWS BULLETIN

WORKING IN PARTNERSHIP WITH PARENTS

This week, Miss McPherson, Mrs Thompson, Miss McKean and I were invited to the annual GSSP awards ceremony. We were delighted to go along to support two of our wonderful pupils, Sophie Y6, and Tabitha Y5, who both received awards. Sophie received an Inspiration Award and Tabitha received an award in the Equality category. You can read both Sophie and Tabitha's entries for the competition below, I think you will agree, both girls were worthy winners.

The Gateshead School Sport Partnership did a splendid job organising the evening. The work of the GSSP team is outstanding. They are the organisers of numerous sporting events, including the dance and athletic festivals which our pupils love to take part in. The children of Gateshead are extremely fortunate to be offered such wonderful opportunities to participate in events with other children from schools within the authority; allowing them to shine. Last night was quite an emotive night, as it was a celebration of some wonderful children and adults who support and encourage children to believe in themselves, and to have the resilience to reach their goals.

To our very own Emmaville winners -
CONGRATULATIONS!

I have had the pleasure to run the Year 5 Netball Club for the past 8 weeks. The children had never played netball before and have blown my socks off at their improvement over the time they have attended the club. We have worked on passing, shooting and defending as well as learning the key rules and positions.

On Tuesday night for our final session it was time to put it all into action with the children having a match against the teachers. They were amazing and the staff were blown away by their attitude and progress. Well done to you all for your fantastic work!
