WORKING IN PARTNERSHIP WITH PARENTS

Panathlon at Gateshead Leisure Centre

A group of 8 children from across Key Stage 1 and 2 took part in an exciting afternoon at Gateshead Leisure Centre competing in a Panathlon organised by Gateshead School Sports Partnership.

The children were very excited from the moment we arrived and this enthusiasm and enjoyment continued throughout the afternoon. The children worked well as team; supporting their peers and cheering them on in every event. The events ranged from target throwing, bocchia, basketball and even some curling.

At the end of the event, the scores were added up and we were delighted to come away with 3rd place and 8 bronze medals. The children wore these medals with pride and all had a fantastic time.

What an exciting afternoon we had at the Panathlon

On Wednesday 4th May we took two teams of Year 4s to Kingsmeadow School for an Orienteering Festival. Our school representatives were brilliant and we came in 4th place and 1st place!

"We found it great fun racing round to find all the clues during the orienteering."

"The problem-solving tasks were really fun to take part in and we were the first group to complete the mine challenge!"

The plank activity made Mrs Toward laugh a lot! It was great to see the children out and about working together and joining in so well.

Great team work all round!

Two teams from Y4 had lots of fun at the Orienteering Festival...

and everyone received a certificate for taking part.

On Wednesday 4th May, all of the Year One children were invited to Thorp Academy to take part in an Outdoor Sport's Festival.

We were so excited we couldn't wait to get there - so after an early lunch - off we went.

When we got to Thorp, the field was full of other Year One children and lots of different Sport's Leaders. It was great to see so many people there.

Each of our Year One classes were split into 3 different teams and were then taken by the leaders to the starting points.

The Leaders told us what to do at each of the various stations around the field. It was really great fun. It gave us the chance to practise some of the skills we have been learning in our PE lessons.

As you can see from the photos we had the best time!

Hall Hill Farm

On Wednesday 4th May, the children of Nursery visited Hall Hill Farm. It was such an exciting day for all of us as we jumped on the big coach and headed across to the farm.

We were so lucky to have lots of parent helpers with us too, who we are all so grateful for, you helped make our day smooth from start to finish.

Once we arrived, we had a tour of the farm, a ride on the bumpy tractor and got to see a peacock showing off while shaking its bum! We saw so many different animals... alpacas, wallabies, and even highland cows!

Then, we had lunch and after we had a chance to hold and feed the other animals living on the farm. There were rabbits, chicks, guinea pigs and lambs!

The children were brilliant and did Emmaville so proud, well done to all our Nursery children - it was a fantastic day!

And what a fantastic day Nursery had at Hall Hill Farm!

CANCER
RESEARCH
UK

On Saturday the 7th May, Ava (Y5 Antarctica) took part in and successfully completed the Cancer Research UK 1mile Swimathon.

Ava's mum told us that Ava was really nervous, but took the whole thing in her stride and completed it in less than an hour. Also it was lovely to see how proud she was of herself.

Well done Ava, we are very proud of you too!
