WORKING IN PARTNERSHIP WITH PARENTS

We would like to wish you all a fantastic half-term holiday and look forward to welcoming the children back to school on Monday 26th February.

Emmaville's Super Netball Skills on show at the GSSP England Netball Festival

Congratulations to the children in KS2 who represented Emmaville at the Gateshead School Sports Partnership England Netball Festival on Monday this week - Bodie, Joshua, Lilyann, Maisie, Erin, Ellie, Lennon and Leo.

The children spent the morning practising their skills with two representatives from Netball England and the sports leaders from Lord Lawson school. There were six drills in total and the children were well and truly 'warmed up' by the end of the morning session.

The children approached their tournament games in the afternoon a little tentatively; however, as the tournament progressed, their confidence and skills grew and they went from strength to strength and finished really strongly. I feel the secret of their success was realising that they had to work as a team to be successful.

The attitude of the children and their 'never say die' approach was really impressive. I was also really pleased by how well they applauded their opposition at the end of each match.

Well done to you all!

Invitation

Year 1 children would like to invite their parents/carers to their class assembly on Friday 22nd March at 2.30pm.

Safer Internet Day

In school last week, we celebrated Safer Internet Day. The focus was very much on how things might change online. We talked about how technology had changed - phones, computers and even watches. The emphasis of all the activities that we completed from the very youngest of our children to the very oldest was that our online world is changing all of the time. So, it is crucial that we know what to do if a change happens that we are not happy about.

The poster below can be used as a talking point with your children to see if they would do any of the things listed to help them stay safe online.

There is a display in school to give the children ideas about how to use the internet *appropriately* and *safely*.

This is a poem that is displayed - written by our super Year Six children.

North America's Safer Internet Day Poem

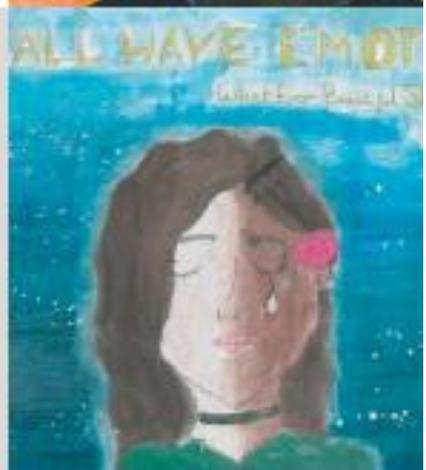

When we go on the internet, we spend time online,
We play games, chat and have a good time.
Most of the time, it can be really good,
But some of the time, there is a hacker lurking under their hood.
If somethings going wrong, and you don't know what,
Talking to someone will help you a lot.
Make sure you find someone you trust,
Please do, it's important, it's a must.

SHOW RACISM THE RED CARD SCHOOL COMPETITION

2024

I wonder what you see !
 My bones are as white as yours
 My blood is as red as yours
 My brain is as sharp as yours
 My legs are as strong as yours
 But my skin is DARK
 I wonder what you see !

We are the same,
 Equally different humans
 When why discriminates us
 Why this bias to us
 Why do we suffer
 Not because I am not like you
 I wonder what you see !

We are proud to announce that we will be taking part in **The Show Racism the Red Card** competition for the first time this year. Please see the following page for details on how your child can participate in the competition.

SHOW RACISM THE RED CARD SCHOOL COMPETITION 2024

The Show Racism the Red Card (SR+RC) School Competition aims to encourage participants to think about racism and produce their own work about this serious issue. Our pupils are welcome to produce work in any medium - artwork, creative writing, song, film, music, as well as football boot and T Shirt designs. If it's about tackling racism, we want to see it!

An independent panel of judges select the winning entries and winners are invited to a special Awards Ceremony at a Premier League stadium. Prizes are presented by special guests including current and former professional footballers.

Competition rules:

- Artwork must not exceed A3 size (297 x 420mm).
- Music entries must not exceed 5 minutes & must be playable in MP3 or MP4 format.
- Film entries must not exceed 6 minutes & must be playable in Windows Media Player.
- Group entries are permitted but limited to a maximum number of 6 people per group.

Please ensure all entries are submitted in school by Monday 26th February.

For more information about the competition please see:
