WORKING IN PARTNERSHIP WITH PARENTS

Hello everyone, welcome back.

We are very much looking forward to the summer term with the children and are hopeful that we will be blessed with good weather and much sunshine.

Measures in place during the pandemic

Please be aware that the same system for dropping off and collecting children will remain in place for the summer term. The school's risk assessment has been updated in line with government and local guidelines. You will find a copy of the risk assessment on the school website. We ask parents/carers to continue to wear face masks when entering the school grounds and to also adhere to social distancing measures.

Pupil progress consultations

As mentioned in previous correspondence, Parent Consultations will take place starting on Tuesday 4th May, and will be conducted via telephone. We will be using the same method for booking appointments as was set up in the autumn term. The appointment booking system will be available on Parentmail from 9am on Monday 26th April for Reception to Year 6 parents. Nursery parents will be informed by Tapestry when their appointments booking system will be available on Parentmail. Please find below a timetable of dates for parent/teacher discussions.
