

Monday	<p align="center">English</p> <p>WOTW - anticipate, concern, furious, queasy, threat Can you look these words up and write their definitions?</p>	<p align="center">Maths</p> <p>Please follow the PowerPoint. Answer any questions from the PowerPoint, and also complete the worksheet.</p> <p align="center">÷ 2-digit by 1-digit numbers</p>	<p align="center">AR</p> <p>20 mins reading</p>	<p align="center">Doodle Tables</p> <p>20 mins</p>	<p align="center">RE (World Religion Day)</p> <p>Use the World Religion Day PowerPoint. Read through it and complete the two tasks. The World thoughts sheet can be also found on the website.</p> <p align="center">Enjoy finding out about the Islamic religion.</p>	
Tuesday	<p align="center">English</p> <p>Using your ideas from last week, begin to write up your own action story. This should be your own innovation but you can hug 'Adventures at Cambury Park' as tight as you need to.</p>	<p align="center">Maths</p> <p>Please follow the PowerPoint. Answer any questions from the PowerPoint, and also complete the worksheet.</p> <p align="center">÷ 2-digit by 1-digit numbers with remainders</p>	<p align="center">AR</p> <p>20 mins reading</p>	<p align="center">Doodle Tables</p> <p>20 mins</p>	<p align="center">Geography</p> <p>Use the PowerPoint to revise the structure of the Earth, find out about volcanoes and the Ring of Fire. Answer questions on PowerPoint and complete the worksheet locating major volcanoes.</p>	
Wednesday	<p align="center">English</p> <p>Continue working on writing up your action story. Ensure you have included a correctly punctuated speech sentence, dramatic openers and a scary sound effect.</p>	<p align="center">Maths</p> <p>Please follow the PowerPoint. Answer any questions from the PowerPoint, and also complete the worksheet.</p> <p align="center">÷ 3-digit by 1-digit numbers</p>	<p align="center">AR</p> <p>20 mins reading</p>	<p align="center">Doodle Tables</p> <p>20 mins</p>	<p align="center">Science</p> <p>This week we are learning all about water. It is a wonderful material and we are thinking about how it can exist as any of the 3 states; solid, liquid or gas. Can you work with a grown up to try out any of the experiments on the PowerPoint and write up your findings?</p>	
Thursday	<p align="center">English</p> <p>Finish writing up your action story. Then, start to think about an information text and what key features we might find in a piece of writing like this.</p>	<p align="center">Maths</p> <p>Please follow the PowerPoint. Answer any questions from the PowerPoint, and also complete the worksheet.</p> <p align="center">Problem solving with multiplication and division</p>	<p align="center">AR</p> <p>20 mins reading</p>	<p align="center">Doodle Tables</p> <p>20 mins</p>	<p align="center">Art</p> <p>Spend some time outside gathering some natural materials to create your own photo frame. Follow the PowerPoint for step by step instructions on ow to do this.</p>	
Friday	<p align="center">English</p> <p>Can you write up 2 of your favourite sections from your action story in your neatest handwriting. Take your time and think about every letter. There are some borders below if you wish to use them.</p>	<p align="center">Maths</p> <p>End of unit test (if your child is at home please contact your child's teacher for a copy of this).</p>	<p align="center">AR</p> <p>20 mins reading</p>	<p align="center">Doodle Tables</p> <p>20 mins</p>	<p align="center">PE</p> <p>Please complete a physical activity of your choice.</p>	<p align="center">Guided Reading</p> <p>Use the PowerPoint to read part of a story and answer questions.</p>
