

Think about what we know about Danny Macaskill so far; what sort of person do you think he is?

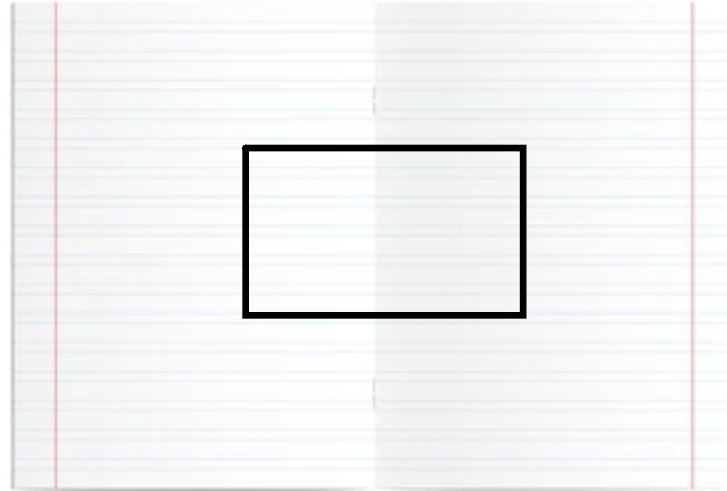

What sort of mood is the film creator trying to convey in this clip?

How do you think the music contributes to the mood of the clip?

What techniques can we use to create tension/excitement in writing?

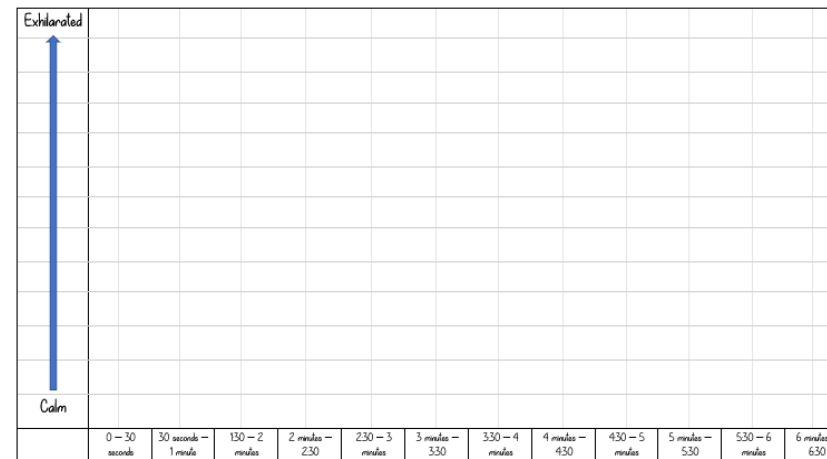

Glue your emotion graph into the middle of a double page spread.

During this week, we are going to complete a piece of first person writing, building up tension and excitement.... So let's consider how Danny felt at different points during this clip. Consider carefully how these emotions have been evidenced.

LO: To explore emotions

Around your graph, annotate why you have placed your marker where you have.

Danny is about the prospect of possibly
taking his bike up to the ridge. He feels optimistic.

Let's do the first few together, and then you and your partner continue watching on your ipads, making your mark and adding your comment as you go.
