Handling Data

Discovering my Solar System

If you wanted to research a planet (collect data), what categories might you research about?

- Age (number of years)
- Distance from the Sun
- Name sake
- Number of moons
- Diameter
- Mass
- Orbit distance
- Orbit period
- Surface temperature
- First recorded
- Recorded by

LO: To present data in an appropriate way

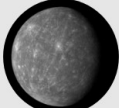

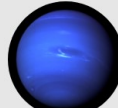

You are going to make a set of planet top trump cards.

You must

- choose 6 categories
- collect the data
- collect and save an image
- present all in your top trump Word document

Browse an exciting collection of scientific, historical and cultural facts about [space](#), [galaxies](#), the [planets](#) and [other objects](#) in the [solar system](#). The latest discoveries, space-related features, graphics and diagrams can be found on the [blog](#).

The Planets

			
Mercury Facts	Venus Facts	Earth Facts	Mars Facts
			
Jupiter Facts	Saturn Facts	Uranus Facts	Neptune Facts
