LO: To use senses to describe a scene

Watch the video of when Larry discovers that the dinosaur is alive from 0:53 - 2:1.

As the scene progresses, use the senses to describe the scene. Also think about the room.

- see
- hear
- smell
- taste
- feel (show not tell)

In the majestic main hall of the museum, the huge globe spun and the proud American flag hung, but Larry's eye widened. Where the bones of the dinosaur once stood, only an empty space now remained.

Success criteria and self-assessment

- well-chosen descriptive phrases
- use of senses
- show not tell (emotions)
- some short sentences for suspense/emphasis
- prepositions of place
