Oh we do like to be beside the seaside!

Tynemouth

Reception had a fabulous trip to the Blue Reef Aquarium as part of their under the sea topic. We found out lots of interesting facts about creatures habitats and what we would find in a rock pool.

As a special treat we had a walk down to the beach. The children had lots of fun making sandcastles and of course, getting as wet as possible in the sea!

His swimming times for each of
the strokes were all good, but his
backstroke time was fantastic.
It was that fast that he has met
the Qualifying time for the
Northumberland & Durham
County Championships for 10 to
11year olds.

This means he will be able to
compete at the Northumberland

Gooooo Emmaville!
Mrs Priestley.

As stated in the news bulletin dated Thursday 29th March, the cost of a school meal will be increasing from Monday 3rd September to £2.50.

The school is charged £2.60 for every meal served to a child; we are therefore currently subsidising 30p for each meal. On average the school kitchen provides 196 meals per day. As school budgets are currently very tight, the Governing Body has realised that we cannot continue to subsidise school meals to this extent. Therefore after much discussion with schools in the cluster, and as a Governing Body we have taken the decision to raise the costs to £2.50 per day from the beginning of the autumn term 2018.

Hoopstarz

On Friday 13th July, children in Nursery, Reception and Year 1 were treated to some fun 'Hula Hooping' workshops. A lady called Sharon came in from a company called 'Hoopstarz'. She provided the children with sessions that involved hula hooping skills and tricks both individually and with a partner. Children performed their tricks to different music tracks and then even tried them out in little competitive activities against their friends.

It was great to see children performing their new tricks in our Hula Hooping assembly at the end of the day.

Well done you hula hooping super stars!
Mrs Priestley
