We would like to share this email with you which we have received from Eva's mum:

Good evening,

I just wanted to let you know that Charlotte, Evie and Eva from Oceania have worked super hard rehearsing with the Ponteland Reparatory Society these last few months, as they all had roles in A Miracle on 34th Street, The Musical. They performed in the shows all this weekend and were fabulous, not getting a step or a line wrong in any of their shows! We are really proud of them.

This might also explain why they are a bit tired this week!
